What were the greatest successes/challenges faced in 2017-18?

Successes: Use of the STAR reading assessment and Math Intervention Programming Instrument (MIPI) data to enhance and inform their practice and provide increased information to students and parents for remediation

Increase of formative work

Continued use of the high school planner and accurate placement of students in courses

School Council Involvement and Communication of Plan 2017-2018

In September, the School Education Plan process was outlined and parents were encouraged to provide input. Although School Council did not initiate any specific strategies, council members were very supportive of the direction of the plan. Parents are continually encouraged to provide feedback, ask questions, and share any concerns they may have about the School Education Plan and school activities with teachers and administration. Budget, student enrollment, staffing, DELF exam, Character Education initiatives and Accountability Pillar results were discussed.

In November, parents were updated regarding issues, progress or concerns related to the School Education Plan. Provincial Achievement Test and Diploma results were shared with the parents in attendance, they were very pleased. Parents commented on how respectful our students were during the Remembrance Day Ceremony and our school is a safe and caring place for their children.

In February, school fees for the following year and information on the budget were discussed. Ardrossan is in the middle to lower range of EIPS school fees. The 3-year district school education plan, pre-enrollment process and school calendar information was shared.

In May, there was discussion on the Ardrossan SEP for 2018-2019, new course selections, high school planning, technology as a tool for learning and initiatives, results of DELF exam, approximate enrollment for next year and Graduation.

During the year, staff members present on the many activities being run by the school and education topics ie. Learning Clicks, Mental Health Capacity Building. An administration report, Trustee report and Canadian Parents for French report are given at each meeting.
