Thank you for your support in working to support your child's growth in their learning. It is wonderful to see students, parents and families engaged in learning and continuing to support the development of the students at Ardrossan Junior Senior High School. We appreciate the continued work of all of our students and families in understanding the learning and striving to show their best stuff! As we move into 2019 and our exam week, please note that there are regular classes for all Grade 7 to 9 students. These are valuable learning moments, not to be missed in order to strongly finish off the courses from semester one. On behalf of the entire Ardrossan Jr. Sr. High staff, I would like to wish you and yours a wonderful holiday season.
Miss MJ Nam
Principal
