Concrete Theater to present

CTRL-ALT-DEL

an emotionally charged new play
by award winning writer and

improviser Jana O'Connor (CBC's Irrelevant Show) exploring cyber-bullying through the eyes of three teens set in the theatrical world of a carnival side show. Led by a ringmaster who may or may not be the Internet himself, the play, which was commissioned by Concrete Theatre with support from the Alberta Foundation for the Arts, explores issues of online safety, sexuality and sexual coercion and personal responsibility and care.
