

Update Your PowerSchool Information

The PowerSchool Correction and Verification Form is now available online, which replaces the paper form sent to families each fall. Families can use the form to access and update their child's information—including address, parent and guardian information, emergency contacts and any medical information. Reviewing and updating the form ensures the school has the most up-to-date information regarding your child. All Ardrossan Junior Senior High families are asked to review their child's PowerSchool Correction and Verification Form by Sept. 20, 2019.

For more information about the PowerSchool Correction and Verification Form and opt-out options contact the school directly.

NOTE: Parents or guardians who've opted out of having the Correction and Verification Form visible on PowerSchool, will receive a paper version to review from the school.
