The Mental Health Capacity Building (MHCB) program at AJS enhances current school and community efforts to promote safety, wellness and inclusion by engaging with and supporting parents, caregivers, and school staff. Additionally, the MHCB staff at AJS collaborate with staff, parents, caregivers and community partners to integrate mental health and healthy relationships topics into daily conversations, curriculum and activities within the school and surrounding community.

To contact the AJS MHCB staff, please email: robyn.coon@eips.ca and mitch.fournier@eips.ca or stop by room 301 (across from Student Services).

Personal Communication Devices

We have completed more than 1/4 of Semester 1 and we would like to revisit the Personal Communication Device policy within the classroom and the school. Students and staff will not use personal devices during class time unless for a specific learning activity as directed by the teacher. Student personal devices will be stored either in the student's locker or in a pouch organizer in the classroom. Students will not access devices stored in lockers during class time.

What is a personal device?

Cell phones, earbuds (wired or wireless), gaming systems, ipads, chromebooks, laptops, smart watches, or any electronic device that is not specified in an Individual learning plan.

We want to have your full attention and focus on the learning and we appreciate your cooperation.

SCHOOL FEES FOR THE 2019-20 SCHOOL YEAR ARE NOW POSTED ON THE POWERSCHOOL PARENT PORTAL.

All fees are due within 30 days of the invoice date. To access your fee information, log in to the [PowerSchool Parent Portal](#) and go to "Student Fees." There you can view your fees and pay online using Visa, MasterCard or INTERAC Online—when available from your financial institution. Don't forget to log in to the PowerSchool Parent Portal regularly throughout the year. Fees are often added to your child's account to cover the cost of certain school activities such as field trips, class projects, athletic-team fees and more. Additionally, junior high and senior high fees can change as courses are added and deleted. If circumstances exist where you are unable to pay your student fees, you can apply to have fees waived by submitting an Application for a Waiver of Fees. The application deadline is Dec. 15, 2019. For more information about school fees, waivers and payment deadlines visit eips.ca/schools/fees.
