AJS Material Return

As you are aware, the end of the school year is rapidly approaching, and several year-end activities must be completed while maintaining the integrity of social-distancing protocols.

All text, library resources and team jerseys need to be returned to the main entrance of Ardrossan Junior/Senior High School during the week of June 22-24, between the hours of 8:30 AM and 5:30 PM. Enter the staff/visitor parking lot using the south entrance.

Tables will be arranged along the sidewalk by grade, athletic uniforms, ADLC, and band uniforms/music. Please drive along side the tables. You will need to drop off quickly and then move your car. If you have checked out an AJS Chromebook, please ensure the device is fully charged and turned on so staff can check the device for installs or damages.

Fee adjustments have been done to student accounts recognizing the school closure of March 16th. Credit balances will be kept on the student's account until the 2020-21 school year. Please recognize the sheer volume of technology, textbooks, library books, instruments, uniforms, equipment that have been loaned out to students. This will take time for us to process with the limited amount of staff we have on hand and the last day of work for the office being June 26th. Should you require a refund and have no outstanding books, etc., please contact shelly.zaharichuk@eips.ca.

Grade 12 students with credit balances and NO outstanding items will be refunded. If there is a sibling that attends our school, the credit balances will be transferred to them. Cheques will be mailed in July from EIPS.

No equipment, technology, textbooks or library books can be kept over the summer.

Questions about textbooks that are loaned out contact colette.pietsch@eips.ca via email

2020 Red Carpet Grad Recognition June 22nd to June 24th, 2020

We are so excited to have the opportunity to celebrate this significant milestone with our students and families, while also respecting the restrictions necessary for everyone to remain safe and healthy.

We are confident this plan allows graduation to remain a special moment for students and their families—and a memory you will look back on with fondness.

Schoolwide, we're incredibly proud of the work the Class of 2020 has put into achieving this important milestone, and we look forward to the opportunity to see each of you again for your special moment.

We are working at providing as much detail as possible and ask that you follow all instructions in order for us to be able to provide this opportunity. We will be strictly adhering to the latest AHS Covid-19 and EIPS guidelines on small group gatherings. We are looking forward to celebrating with you all!
